CALL FOR PAPERS

The ICACDS (International Conference on Advances in Computing and Data Sciences) conference has been an annual Conference. The sixth ICACDS will be held in GPCET, Kurnool, Andhra Pradesh, India on April 22-23, 2022. ICACDS is one of the reputed, renowned, and biggest technical conference focused on specific aspect of Advanced Computing, and Data Sciences. Like previous conferences, ICACDS 2022 will feature world class speakers. The theme of ICACDS 2021 is **"Advanced Computing and Data Sciences In Smart Computing"**.

CONFERENCE TRACKS :

Advanced Computing -

Advanced computing architectures and new programming models, Sequential, parallel and distributed algorithms and data structures, Computational methods and algorithms, High performance computing and processing, Prediction theory, Pervasive and Ubiquitous Computing techniques.

Data Sciences -

Data Analytics, Change Detection, Medical informatics, Big data representation and visualization, Business intelligence, data-lakes, big-data technologies, Text Analytics, Image interpretations, Crowd sourcing and collective intelligence, Data Security.

PAPER SUBMISSION

ICACDS-2022 is soliciting original, previously unpublished and high quality research papers addressing research challenges and advances in the tracks mentioned below. The maximum allowable length of the paper is 14 pages (including figures and references) for regular research articles strictly in SPRINGER SINGLE COLUMN FORMAT. Articles will be Double Blind Peer-Reviewed by three experts to decide its suitability for publication in the conference.

Prospective authors are required to submit full-length papers of 12 pages using EasyChair Conference System formatted with Springer Single-Column standard template using the following link: <https://easychair.org/conferences/?conf=icacds2022>.

Submitted research work must be original in content. Plagiarism found at any stage of publication will lead rejection of paper from conference. Authors are required to use **iThenticate/Turnitin** for checking plagiarism and it must be **below 20%** to qualify paper to be reviewed. ICACDS 2022 doesn't support even self plagiarism. Authors submitting the review type of work must be very cautious about the same. Author(s)/Co-author(s) can submit maximum two papers. Accepted papers will be submitted for the possible inclusion into Springer CCIS. For more details, kindly visit the conference website.

CONFERENCE VENUE : G. Pullaiah College of Engineering and Technology, Pudur, Kurnool, Andhra Pradesh, India.
